

## TOP REASONS TO CHOOSE V2 ADVOCATE

- Interview room recording system designed specifically for the needs of Children's Advocacy Centers.
- Easy to use interface with easy search features, one button Start/Stop recording.
- Share notes for collaboration.
- *Evidence Locker* securely stores hundreds of hours of interviews.
- Burns multiple DVD's simultaneously in real-time.
- Records multiple rooms simultaneously in both MPEG-2 and WMV.
- Built-in tamper protection with watermark technology.
- Audit Log gives the opportunity to view activity on the system and run reports.
- Real-time remote monitoring via network.
- Standard mirrored hard drives for redundancy.
- Redaction allows sensitive audio and video to be concealed.
- Long term & multiple storage options (HD, flash drive, DVD, CD, RAID, NAS)
- A complete digital interview recording management system. System options include a complete turnkey solution for multiple interview rooms, as well as a software only solution. Another option is turning your laptop into a portable interview room.

*And as always...*

*Customized installation followed with Platinum Plus Proactive Support.*
